

# **Chicago Rockford International Airport (RFD)**

## **Greater Rockford Airport Authority**

### **Facilities & Maintenance Technician III**

Chicago Rockford International Airport (RFD) is committed to providing exceptional people with opportunities to grow and be creative at one of the fastest growing airports in the United States. The position requires the ability to work various shifts including evenings, weekends, and holidays. The schedule for this position is 2nd Shift, Tuesday through Saturday. Overtime required as needed or based on the seasonality.

The position requires the ability to perform custodial functions and general laborer work to maintain the general upkeep of the airport facilities and grounds as assigned. The ability to perform in the airfield operations area and conduct various operational duties is essential. Must be capable of working independently. Related experience, ability to communicate well and knowledge of airport operations are desired.

All positions will require a valid Illinois driver's license with a good driving record; a CDL is a plus or the ability to acquire. Each position is subject to Federal Aviation Administration and Transportation Security Administration regulations. Must pass a fingerprint-based criminal background check, physical and drug screen.

To apply for the position email Michelle Cassaro, Deputy Director of Finance and Administration at [scassaro@flyrfd.com](mailto:scassaro@flyrfd.com) by March 2, 2018.
