

## **Facilities & Maintenance Technician**

Chicago Rockford International Airport (RFD) is committed to providing exceptional people with opportunities to grow and be innovative at one of the fastest growing airports in the United States. We currently have positions available in our facilities and maintenance department.

The position requires the ability to perform maintenance functions and light construction work to maintain the general upkeep of the airport facilities and grounds as assigned. Must be capable of working independently. Related experience, ability to communicate well and knowledge of airport operations are desired.

The position requires the ability to work various shifts including evenings, weekends, and holidays. This position is on call from November through April and may be expected to work heavy overtime hours for snow removal. The ability to operate heavy equipment is essential. Diesel mechanic experience is desired.

All positions will require a valid Illinois driver's license with a good driving record. Each position is subject to Federal Aviation Administration and Transportation Security Administration regulations. Must pass a fingerprint-based criminal background check, physical and drug screen.

To apply for the position, send a resume to Michelle Cassaro, Deputy Director of Finance and Administration at [scassaro@flyrfd.com](mailto:scassaro@flyrfd.com) by March 18, 2022.
